WE CREATE... CELEBRATIONS

MATCH MADE IN HEAVEN

With its iconic white on blue adobe houses, clifftop views of the Aegean, white sand beaches and legendary glittering turquoise waters featuring the best of European high society, Mykonos is a sure-fire winner if you're planning a destination wedding.

Perched above Paradise and Super Paradise beaches, Karma Pelikanos offers seclusion and privacy, making it a suitably spectacular location in which to celebrate your nuptials. Classical Greek architecture, plush contemporary interiors, 21st century amenities and panoramic views combine to create the perfect space for an intimate celebration.

Our highly experienced team will look after every step of the process with you, handling all of the arrangements down to the smallest details, from pre-wedding through to guest departure, leaving you and your loved ones to enjoy a day that will live forever in your memory.

THE VENUE

Karma Pelikanos is located in peaceful Pyrgi, just 10 minutes from the picturesque and cosmopolitan Mykonos old town. The villa's smoothed off adobe walls are washed the kind of white that's meant to be drenched in sunlight, offset by deep blue door and window frames. Step out onto the veranda & discover an al fresco living area built around an infinity pool. On a clear day, the islands of Naxos and Delos are visible on the horizon of the dazzling Aegean waters.

Drink in the incredible views with a glass of champagne and toast to the start of your new life together. As the sun sets over Mykonos Island, the party begins! Our extensive list of world class DJ's and bands will help create the perfect ambience, no matter what your musical taste.

THE ACCOMMODATION

Pelikanos brings together three residences with a total of eight bedrooms, sleeping 15 guests in total. You and your guests will relax in luxury accommodations with spacious interiors, classic Greek style furnishings and ensuite bathrooms featuring indulgent Korres cosmetics. Most bedrooms feature floor to ceiling windows with ocean views and private patio or terrace.

UK design team Gareth and Celia Johns have created interiors that are a play of different elements – from antique inspired furnishings like wrought iron beds, elegant bureaux and chandelier lamps to contemporary interior solutions including a curvilinear banquette and modular rattan seating on the spacious veranda.

Our professional on site Property Manager is on hand 24/7 to attend to your every need, from grocery shopping to reserving spa treatments, yoga classes, restaurants and beauty and hair appointments.

A PACKAGE TO SUIT EVERY WEDDING

While every wedding is a one of a kind experience, our packages are designed to assist each individual couple with the organisation of the most important elements of their big day according to your particular preferences.

Depending on the type of cuisine and style of wedding you prefer, we'll source the perfect chef and culinary team for your special day, whether it's a formal seated dinner, a gourmet buffet, BBQ or cocktail and canapés menu. Special dietary requests of every kind can be catered for upon request. We will work with you every step of the way to help create a unique menu for your special day.

THE FINE PRINT

Our wedding venue fee is just a one off payment of 5000 Euros. We then request a non-refundable 30% deposit of the total cost of the wedding to secure your booking. The remainder of the total will then be due 90 days prior to the wedding. An additional security deposit of 5000 Euros is required prior to, or upon check in. Cancellation charges may apply in line with our terms and conditions.
